

Thanks Brian, Craig & team for the great job you did on both the interior & exterior of our house.

Your work was professional from start to finish.

You didn't skimp on the preparation & living in the house while you were with us for 2 months or so was no problem as you cleaned up daily (if only the builder had been half as thorough!) & the job proceeded seamlessly from room to room.

Thanks for making us feel that nothing was a trouble to you!

We'll be very happy to recommend you to other renovators!
